ARTISTS

ripper Train

RipperTrain combines classic rock with progressive, rhythmic melodies. Utilizing Bayou style stomp and shout blues with low, heavy rhythms (like a train), the band has created a sound they call "southern metal". With tours including Northern Ontario, Western Canada and a five-week stint in Whitehorse, Yukon, RipperTrain has been winning fans across the country.

Two of the founding members Patrick O'Handley (vocals, lead guitar) and Guy "Ike" Perrin (lead guitar & vocals) played together in 67 Ride, Sean "Henry" Richard (bass, vocals) and Ben "Slim" Wanner (drums, vocals) complete the foursome.

The release of their debut CD "Roxvil Station House" ensures continued growth and success. A must see show you don't what to miss!

**Cherry
Bomb**

Cherry Bomb is an explosive five piece band performing the hits of women rockers from Lita Ford to Pat Benatar, Blondie to Joan Jett. Their members hail from talented Regina bands Embrace, Crush and Eternity. With a focus on big hair, black eyeliner, leather pants and 80's chick rock, Cherry Bomb promises to be a party.

KASHMIR

In their five year history, Kashmir has firmly established itself as an excellent, loud and proud, Led Zepelin tribute. They've been from Edmonton to Yellowknife to Winnipeg, and now Kashmir (based in Saskatoon) returns home again for another wall to wall weekend at Bud's. The band is powered by Ray Goertzen (bass) Dave Cummine (drums) John Lisi (guitar) and Darcy Clayton. (vocals) They

have also expanded to sometimes include a keyboard player (Kevin Barret) and an acoustic set. Kashmir has always packed 'em in at Bud's so make sure to show up early for a good seat, and settle in for an all out Zeppelin assault.

BUTTERfinger

Butterfinger's debut self-titled album was released on the heels of their award winning song Breathe which won the national songwriting competition in conjunction with Canadian Music Week in Toronto in the spring of 2001.

The album contains a rich mixture of songs which has seen hordes of the Butterfinger faithful drive 3 hours or more just to see them perform. In addition to packing their own shows, Butterfinger has played to capacity crowds along side artists such as: Nickelback, Filter, I Mother Earth, Edwin, Matthew Good, Big Sugar and Zuckerbaby.
